Dear Mr. Quirk:

It has come to my attention that you are advertising that your book, CIA Entrance Examination, will contain a forward by Director of Central Intelligence, William H. Webster. I have spoken to Director Webster and find that he has not given you a written or verbal statement to use as a forward in any publication.

We assume that you have taken one of the Director's public speeches or statements and have labelled it a forward. We hope you realize that doing so is a gross misrepresentation. We require your assurance that you delete the use of Judge Webster's name in any forward without his permission. Unless we receive your assurance, we will refer the matter to the Department of Justice for what appears to be a violation of Section 13 of the Central Intelligence Act of 1949 (50 U.S.C. 403m).

Sincerely,

*William M. Baker*
